Transport

Transport is being arranged for the coaches, team members etc. for transporting to and from the venue, this has been organised through Europcar. At this stage we may be able to assist people with shuttle runs to the venue, but until final numbers are obtained we cannot guarantee this. A small levy will be charged for the use of non team members to and from the venue. If you are planning on checking out the area, then a hire car is recommended.

Financial assistance

Local councils do have certain schemes whereby you can apply for sporting grants, this amount is dependant on the council, normally around \$100 but every little bit helps – just check it out through your councils website. If you have any concerns about the above, please email Sam Revell or Julie McDonald.
