

State Team for 2018 National Championships,
8th to 11th June, Carrara, QLD
Gold Coast Sports and Leisure Centre, 296 Nerang Broadbeach Road.

Congratulations on your selection to represent Judo WA at the National Championships in 2018.

You **MUST** accept your place in the team and pay your team membership fee (\$60 to include state training fees and backpatch/shoulder strips) via the link below as soon as possible but **no later than 7th April**

<https://eventdesq.sportstg.com/index.cfm?fuseaction=main&EventDesqID=28692&OrgID=8280>

or via the link at www.judowa.org.au.

After 9th April you will then be invited to nominate the divisions you will compete in – eg for junior and senior boys and girls you will need to nominate your weight division, and for Cadets and older you will also need to do this plus indicate if you will compete in additional divisions. You will then be required to pay \$60 per entry (entry fee charged by Judo Australia).

Travel arrangements

All individuals are responsible for their own travel arrangements. You should arrange to be in Carrara, at the latest, **by early afternoon on the day before** you compete as you will weigh in on the afternoon of that day (details below). If you miss your weigh-in you will not compete. Please note that for all divisions your weigh-ins are the afternoon before the competition. Please make sure you allow for delays and getting from the airport.

Weigh-in

It is essential that you be at the competition venue in time for a trial weigh-in before the official weigh-in begins. You can check your weight as many times as required during the unofficial period but once the official weigh-in begins you will only be allowed one weigh.

Junior and Senior Boys and Girls: It is possible to change your weight division up to the time that you weigh in (ie the weight that you register at the official weigh-in will be the division that you compete in). Any changes of weight need to be discussed with the team manager and coach.

Cadets and older: note this is a change from previous years – you must compete in the division in which you are entered. Changes can however be made up until Friday 8th June at 6pm by notifying Fiona Iredale via 0448118002. If you do not weigh in the correct category you **WILL NOT COMPETE**.

For those competing on 2 separate days (eg kyu/masters competing on Saturday and then also in Cadet/Jun/Sen on Sunday or Monday) there are some additional rules:

- If you compete Sat and Sunday you will weigh in on Friday as normal, but will have a 5% weight allowance when you weigh in on Saturday.
- If you compete Sat and Monday you weigh in as normal on Friday and Sunday (no 5% allowance for your Sunday weigh-in).

Funding suggestions for cost of 2018 National Judo Championships

Local Government Sporting Achievement Grants

Most are open to young people (e.g. under 18 years). Each local government (e.g. city council) has different rules and policies so visit the website of your local government for details. They usually give \$50-\$150 per athlete per year. If supporting letters are required for your application to prove selection please request from your individual clubs.

Some shires only support groups not individuals and will require Judo WA to complete the application on behalf of the young people who live in the shire e.g. City of Wanneroo require this. If this is the case for you please contact me.

Federal Government Local Sporting Champions Grant

This is a National scheme offering up to \$500 per athlete. This is in quite high demand/competitive. Applicants must be between 12-18 years of age. The current round for applications is open closing 30 June which means you won't find out if it's been successful until after the competition. Applications are made online at;

http://ausport.gov.au/ais/grants_and_funding/local_sporting_champions

As part of the application you are required to provide confirmation of participation, include the following details when requested;

National Championships 2018

Criteria for selection to represent Judo Western Australia

Selection to compete at the National Championships in Gold Coast Sports and Leisure Centre, Carrara, Queensland (8th-11th June) will be based on the following criteria:-

- Athletes **must** compete in the State Titles (25th March 2018) **plus** are **strongly recommended** to compete in the Kano Open Comp on 6th May 2018 (note for some potential team members, selection may be based on participation in the Kano competition – individuals will be advised if this is the case).
- Athletes must be a current financial member of a JudoWA affiliated club.
- Athletes must meet the eligibility requirements of the National Championships in relation to grade, age, nationality/ residence etc.
- Attend a minimum of 6 of the 9 scheduled state training sessions (dates, times and venues noted on page 2). **This will be strictly applied.**
- Maintain an adequate level of fitness (includes being free of injury which would prevent performance)
- Sign/accept the Athlete's Agreement form and complete all other related documentation as requested by the coach/manager.

Note: winning the state titles does not automatically qualify an athlete to compete in the National Championships. Overall performance in the competitions listed above, performance throughout the previous year at state and national level, commitment to training and potential to be competitive at National level will be considered. Final selections will be made by the coaching commission in conjunction with the relevant club coaches at the conclusion of the State Titles on March 25th 2018. **Note that several of the state training sessions are before the state titles – any athletes considering attending nationals MUST attend state training sessions prior to the State Titles on 25th March.**

Exemptions to the above criteria MAY be made ONLY in exceptional circumstances. In this case, selections will be based on previous performance and the athlete's potential to compete well at the National Championships. Requests for exemptions to the above criteria should be made in writing (to fionairedale@gmail.com) and be supported with documentary evidence (e.g. med cert for illness/injury etc).

For athletes from regional clubs, criteria will be negotiated individually between the State Team manager and Club coaches.

Times, dates and venues are shown below for state training. Please check carefully as there are multiple venues and different time slots for different sessions and different ages and weights. Please check what day, time and location YOUR training is.

Note that if it is better for your training you will be able to move to a different group. eg over 50kg senior boys/girls should train with the cadet groups at the sessions at Kano. Light cadets may train with the junior group in the UWA and SWJA sessions.

If you are unsure which group will be best for you please discuss with your coach, or contact fionairedale@gmail.com or call 0448118002
