

## National Championships 2018

### Criteria for selection to represent Judo Western Australia

Selection to compete at the National Championships in Gold Coast Sports and Leisure Centre, Carrara, Queensland (8<sup>th</sup>-11<sup>th</sup> June) will be based on the following criteria:-

- Athletes **must** compete in the State Titles (25<sup>th</sup> March 2018) **plus** are **strongly recommended** to compete in the Kano Open Comp on 6<sup>th</sup> May 2018 (note for some potential team members, selection may be based on participation in the Kano competition – individuals will be advised if this is the case).
- Athletes must be a current financial member of a JudoWA affiliated club.
- Athletes must meet the eligibility requirements of the National Championships in relation to grade, age, nationality/ residence etc.
- Attend a minimum of 6 of the 9 scheduled state training sessions (dates, times and venues noted on page 2). **This will be strictly applied.**
- Maintain an adequate level of fitness (includes being free of injury which would prevent performance)
- Sign/accept the Athlete's Agreement form and complete all other related documentation as requested by the coach/manager.

Note: winning the state titles does not automatically qualify an athlete to compete in the National Championships. Overall performance in the competitions listed above, performance throughout the previous year at state and national level, commitment to training and potential to be competitive at National level will be considered. Final selections will be made by the coaching commission in conjunction with the relevant club coaches at the conclusion of the State Titles on March 25<sup>th</sup> 2018. **Note that several of the state training sessions are before the state titles – any athletes considering attending nationals MUST attend state training sessions prior to the State Titles on 25<sup>th</sup> March.**

**Exemptions to the above criteria MAY be made ONLY in exceptional circumstances.** In this case, selections will be based on previous performance and the athlete's potential to compete well at the National Championships. Requests for exemptions to the above criteria should be made in writing (to [fionairedale@gmail.com](mailto:fionairedale@gmail.com)) and be supported with documentary evidence (e.g. med cert for illness/injury etc).

For athletes from regional clubs, criteria will be negotiated individually between the State Team manager and Club coaches.

Times, dates and venues are shown below for state training. Please check carefully as there are multiple venues and different time slots for different sessions and different ages and weights. Please check what day, time and location YOUR training is.

Note that if it is better for your training you will be able to move to a different group. eg over 50kg senior boys/girls should train with the cadet groups at the sessions at Kano. Light cadets may train with the junior group in the UWA and SWJA sessions.

If you are unsure which group will be best for you please discuss with your coach, or contact [fionairedale@gmail.com](mailto:fionairedale@gmail.com) or call 0448118002
